January 3, 2019

The Honorable Patrick McHenry  
2004 Rayburn House Office Building  
Washington, DC 20515

Dear Representative McHenry:

Recent events have made it clear that we need to **protect and strengthen our democracy**, which faces threats both internal and external. Therefore, **my New Year's Resolution for 2019 is that YOU, my Congressional Representative, will actively support H.R. 1, the Democracy Reform Act**, especially these Voter Empowerment and Access parts of the bill:

1. Creating fair Congressional representation through independent redistricting commissions, without gerrymandering by either party.
2. Restoring the Voting Rights Act.
3. Encouraging automatic and same-day voter registration, and providing adequate early voting opportunities.
4. Securing our election systems, such as but not limited to voting machines.

**This is an opportunity for bipartisan cooperation** that will protect our democracy, strengthen our voting processes and restore faith in our election results.

Happy New Year, and **let's make it a great one together.**

Sincerely,
