Dear Rep. X

Thank you for standing up for health care, the environment and strong public schools in not just your district, but all of North Carolina. Your vote matters!

Sincerely,
X

Dear Rep. XX,

Thank you for standing strong on supporting the veto of a bad budget that doesn't close the coverage gap and fails to ensure adequate educator pay, funding for public schools and our children's future. With a better budget, North Carolina can close the gap and prioritize public education.

Sincerely,
X

Dear Rep. XX

Thank you for sustaining the veto to negotiate for a brighter and more prosperous future for our state. What you do is important to me, my neighbors and the beautiful state of North Carolina!
Your vote matters!

Talking Points

- A better budget is possible by sustaining the veto. Thank you for what you do!
- Our state deserves a better budget that takes care of all communities and paves a way for a stronger and healthier NC
- Our state finally has an opportunity to undo some of the damage done over the last decade: huge tax cuts to big corporations, refusing to accept federal funds for Medicaid Expansion, underfunding schools and slashing teacher pay. Thank you for sustaining the veto so that North Carolinians can have a chance to fight for a better budget!
